## Pre-K is for Me!

### About Our Pre-K Program

Our Pre-K program offers a nurturing early education program for four-year-old children with a focus on social skills, independence, small group classroom experience and Kindergarten readiness. We offer your child a safe, secure, and fun learning experience! Transportation is provided each day to and from school. Children are served a nutritious breakfast, lunch and snack each day.

### What Your Child Will Learn

Four-year olds, are in the Pre-K classroom with Mrs. Garner, who is a retired Kindergarten teacher that taught in the Tift County school system for 30 years. Her team teacher is Mrs. Frye that has 6 years' experience teaching Pre-K children and is currently finishing her educational degree in Early Childhood Education. The children will be learning the pledge of allegiance, recognizing letters, numbers, shapes, colors, writing their names, mastering using safety scissors, and so much more.

### Is it right for your family?.

If you are looking for a structured classroom environment that makes learning fun, then we hope you will call and schedule a tour to explore all that Maggie Campbell's has to offer. All CDC safety precautions are in place for the well-being of your child.
